Traffic and Parking

We will be reducing visitor access to Lamington Street on busier Brisbane Comedy Festival nights based on ticket sales.

We understand that this may cause some inconvenience, but we believe that it's necessary to ensure the safety of our community and the smooth flow of traffic.

To assist our traffic controllers in recognising our local residents and to prioritise their street access, we're redistributing a sign (attached) that can be displayed in your vehicle. We suggest you place this sign either on your car's dashboard or the underside of your car's sun visor. If you'd like an additional copy of this sign, you can collect it at Brisbane Powerhouse's front desk. Neighbourhood announcements are also located at <https://brisbanepowerhouse.org/neighbourhood/>.

We also remind you to please follow all traffic regulations and park your vehicle only in designated areas. Thank you for your cooperation and understanding as we work together to improve traffic conditions and safety in our community.

Council Patrols

Brisbane City Council Parking Compliance Officers will be patrolling the precinct and surrounding streets during the event. Council operates 24 hours a day, 7 days a week, so if you have concerns about illegal parking we encourage you to report it directly to Council on (07) 3403 8888 so they can investigate.

If you have any feedback or recommendations on how to further improve traffic management in the area, please write to info@brisbanepowerhouse.org.
